FAQ's

Can I view the furniture I am going to rent?

We have a large 2500 sq ft showroom at our offices in Chessington, displaying all of our current ranges which are available for viewing Monday to Friday, or Saturday by appointment. Our rental ranges can also be viewed at www.rentmyfurniture.co.uk.

What is the turnaround time for delivery?

We can deliver in as little as 48 hours.

Do I need to be on-site for the delivery?

No. If it is difficult for you to arrange to be at the property, we can collect keys from an appointed representative (providing the key-holder is reasonably near the property) and return them afterwards.

What happens if the furniture should get damaged?

We have a fair wear and tear policy which covers most eventualities. However furniture requiring replacement, significant repairs, or specialist cleaning, will be chargeable.

What happens if I terminate my tenancy agreement early?

Our services are designed to run in line with your tenancy agreement, giving you and your tenant ultimate flexibility.

Is a deposit required?

In most cases a deposit is not required. Monthly rental payments are collected in advance from the beginning of the rental period.
